

Dear Colleagues,

We would like to cordially invite you to the 2024 IEEE 3rd Conference on Information Technology and Data Science (CITDS 2024), which will be held in Debrecen, Hungary, on 26–28 August 2024. The event will be organized in a hybrid form (in-person/online). The official language of the conference is English. The conference is organized by the Faculty of Informatics, University of Debrecen, Hungary. The sponsors of the conference are the University of Debrecen, the IEEE Hungary Section, and the John von Neumann Computer Society. For further details, please visit the conference website:

Announcement

The aim of the 3rd Conference on Information Technology and Data Science is to bring together researchers, developers, and teachers from the academy. Specialists in the above fields, young researchers, and PhD students are greatly welcome to participate in this event. The conference provides a good platform for participants to exchange their ideas, results, and works on the various topics of the conference.

Sessions

We accept scientific papers from a wide range of applications of theoretical and practical data and information technologies. Sessions of interest include, but are not limited to:

- Artificial Intelligence and its Applications
- Predictive Analytics
- Optimization and Decision Support
- Stochastic Models in Data Science
- Automata, Logic, and Models of Computation
- Cybersecurity
- Temporal Data Science with Applications
- Autonomous Vehicles and Embedded Systems
- Computer Graphics, Visualization, and Virtual Reality
- Software Technology
- Internet of Things, Operational Technology and Networking

Important deadlines

Call for papers: 20 January 2024

Abstract and full paper submission: 10 May 2024

Notification of acceptance: 20 June 2024

Registration: 20–30 June 2024

Payment: 15 July 2024

Camera-ready paper submission: 26 July 2024

Conference: 26–28 August 2024

Registration fees:

Full price: 190 €

Students: 150 €

IEEE members: 150 €

IEEE students: 120 €

Submission of papers

Abstracts and full papers can be submitted. Authors who intend to publish a paper in the conference proceedings should submit their paper(s) in advance. Those authors who do not want to publish a paper can submit an abstract for the conference. Abstracts with a minimum of 1 page and a maximum of 2 pages, while full papers with a minimum of 4 pages and a maximum of 6 pages can be submitted to the conference as IEEE standard double-column A/4 documents. All submissions must be original and not published in an earlier conference volume or a journal. Furthermore, submissions should not be at the same time under consideration for publication elsewhere. Papers should be submitted through EasyChair.

Conference proceedings

Accepted papers will be considered for possible inclusion into IEEE Xplore. Selected papers will be taken into consideration for publication in the special issues of highly ranked journals. 'Pay to publish' is not allowed by IEEE. So at least one author of a paper must show up and present the paper at the conference.

Please save the dates of the conference in your calendar.

Kind regards,

The Organizers of CITDS 2024
