

# CECC 2021

## 21<sup>st</sup> Central European Conference on Cryptology

How can we connect to an online session via application?

---

University of Debrecen, Faculty of Informatics  
June 23—25, 2021

To download the application, please click on the following [LINK](#), then click on the Download button and install the application.

The screenshot displays the Cisco Webex website's main landing page. At the top left, the 'Cisco Webex' logo is visible, followed by navigation links for 'Solutions', 'Plans & Pricing', 'Resources', and 'Learn'. A 'Join a meeting' link is located at the top right. The central headline reads 'Get the Webex you need.' Below this, two main product cards are presented. The left card is for 'Webex Meetings', featuring a circular logo and the text 'Looking for real time video conferencing?'. It lists features such as 'HD video for face-to-face meetings', 'Flexible audio-only conference call options', 'Easy screen sharing', and 'Meet across any device'. A prominent blue button labeled 'Download for Windows' is positioned below the text, with a red arrow pointing to it from the text above. Below this button, it states 'Also available here:' and provides links to 'Download on the App Store' and 'GET IT ON Google Play'. The right card is for 'Webex Teams', with a similar circular logo and the text 'Looking for messaging and team collaboration?'. It lists features like 'One-on-one or group messaging', 'Digital two-way whiteboarding', 'Rich content and file sharing', and 'Video calling'. It also features a blue 'Download for Windows' button, followed by 'Download Teams VDI' and 'Also available here:' with links to the 'App Store' and 'Google Play'. The bottom of the page is decorated with a green bar under the Meetings section and a blue and pink bar under the Teams section.

On the following page, please click on the *Use as guest* button, then enter your full name and the email address that you used for the registration.

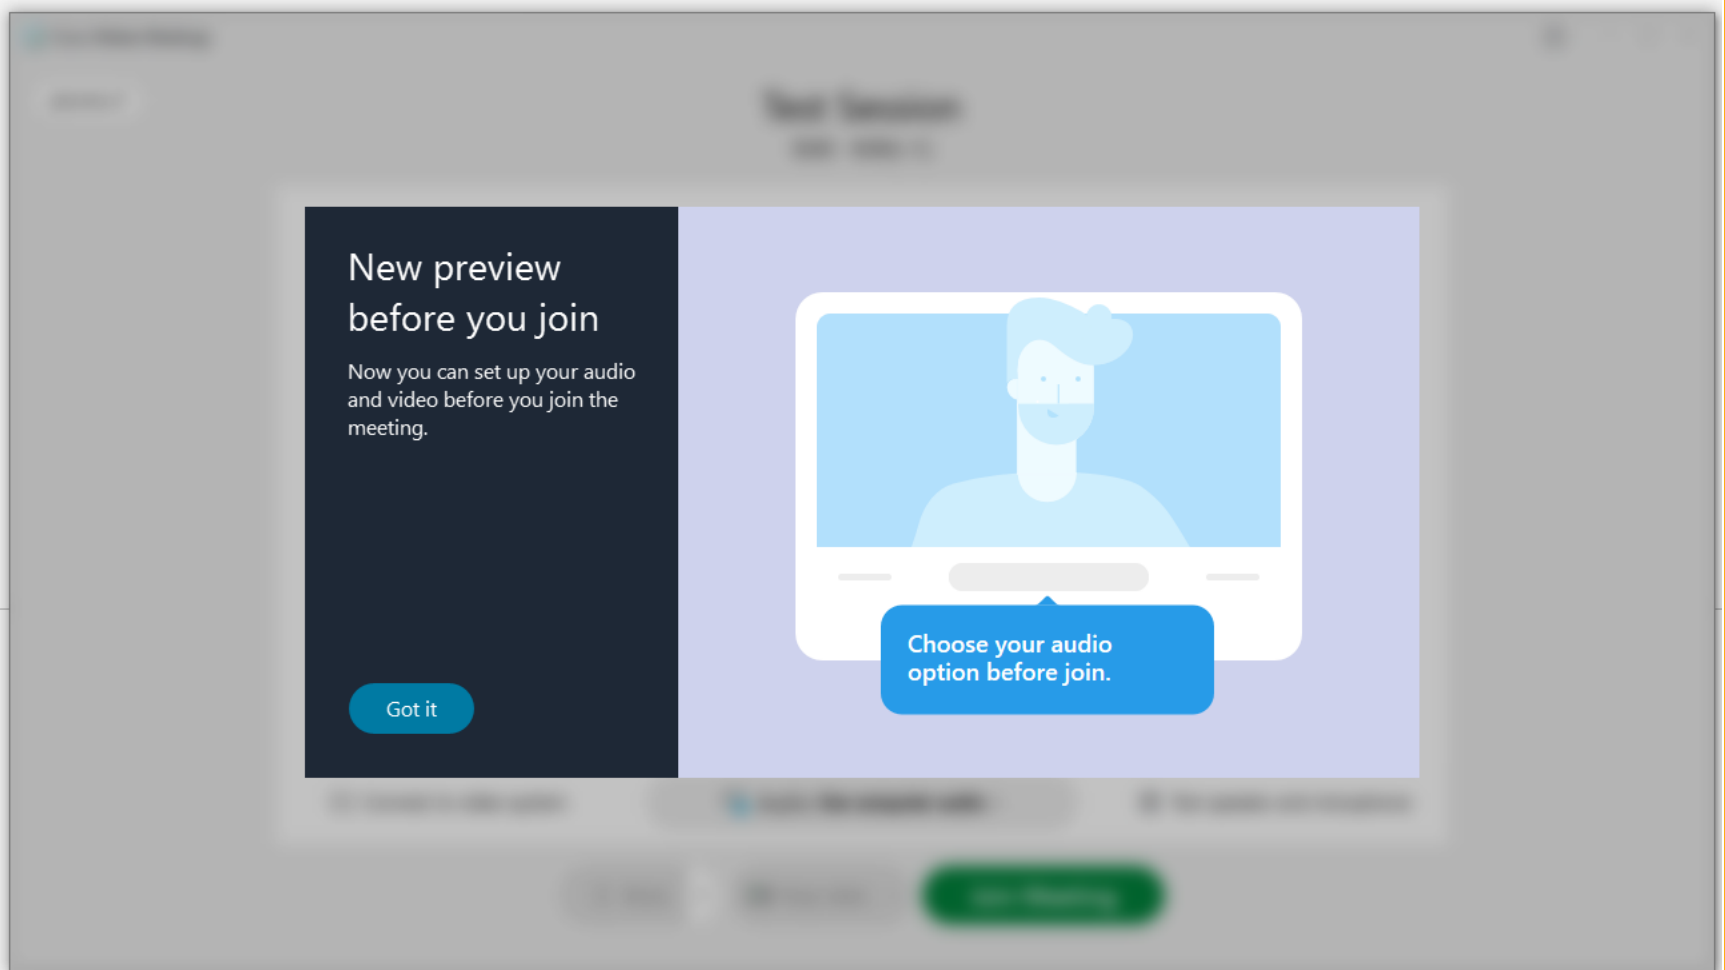

The image shows a sign-in page for Webex Meetings. At the top center is the Webex logo, a blue and green circular icon. Below the logo is the text "Sign in to Webex Meetings". Underneath this text are two input fields: the first is labeled "Email address" and is currently empty; the second is labeled "Next:" and is also empty. Below the "Next:" field is a button labeled "Use as guest". This button is highlighted with a red rectangular border, and a red arrow points to it from the right side.

Now if you click on a session button on the conference program page, you will be directed to the following page:

Here please click on the *Cisco Webex Meeting*, and then open the link.

Here please click the *Got it* button.

Here please click the *Join Meeting* button.

The screenshot shows the Cisco Webex Meetings interface. At the top left, it says "Cisco Webex Meetings" with a logo. In the top right corner, there are window control icons: a help icon, a minus sign, a square, and an X. Below the title bar, on the left, is a name tag for "pecora" with an edit icon. In the center, the meeting title "Test Session" is displayed, followed by the time "9:00 - 9:00(+1)". The main area is a large white rectangle containing a large grey circle with the letter "P" inside. At the bottom of this rectangle, there are three options: "Connect to video system" with a monitor icon, "Audio: Use computer audio" with a headset icon and a dropdown arrow, and "Test speaker and microphone" with a gear icon. Below the white rectangle, there is a control bar with three buttons: "Mute" with a microphone icon and a dropdown arrow, "Stop video" with a video camera icon and a dropdown arrow, and a prominent green "Join Meeting" button.
