

After clicking on the *Join link* on the conference webpage the following page will appear:

The screenshot shows a Cisco Webex meeting join page. At the top left is the Cisco Webex logo, and at the top right is the logo for 'DEBRECENI EGYETEM'. The main heading is 'Próba szekció #1' with the date and time 'Wednesday, Oct 28 2020 | 9:15 AM - 9:30 AM'. Below this, it says 'Starting your meeting...'. A instruction reads: 'Click **Open Cisco Webex Meetings** if you see a message from your browser.' Below this is a horizontal line with 'Or' in the center. Underneath the line is the text 'Join from your browser.' in blue. At the bottom, there is a note: 'If you don't see a message from your browser, [open the desktop app](#). Don't have the desktop app? [Download it now](#).' A red arrow points from the bottom left towards the 'Join from your browser.' link.

If you click on the [Join from your browser](#) link, you can join the session from your internet browser (preferably [Firefox](#) or [Chrome](#)) without any additional software.

On the following page, please enter your full name and the email address that you used for the registration.

On this page, you are asked to allow the browser to use your microphone and webcam, if you are a presenter in this session, you have to allow it.

The screenshot shows a Zoom meeting join interface. At the top left, a browser permission dialog is open, asking for microphone and camera access. The dialog has two buttons: 'Engedélyezés' (Allow) and 'Letiltás' (Deny). The main interface is titled 'Próba szekció #1' (Trial section #1) with a time range of '9:15 AM - 9:30 AM'. On the right, there are links for 'Show help tips' and 'Send problem report'. The central area features a dark blue box with the text 'New preview before you join' and 'Now you can set up your audio and video before you join the meeting.' Below this is a 'Got it' button. To the right is a preview window showing a person's video feed with a blue overlay and a callout box that says 'Mute yourself or turn off your video.' At the bottom, there is a control bar with buttons for 'Use video system', 'Audio: Use computer audio', 'Test speaker and microphone', 'Mute', 'Stop video', and 'Join meeting'.

Then you can click on the *Join meeting* button to participate in the session.

When it is your time to present in the session, please click the *Share* button, then the *Applications* button and choose the application you want to share with the audience (for example: Adobe Acrobat Reader or MS PowerPoint).

If you would like to use the chat, please click on the *Chat* button.

At the end of the presentation, you can stop sharing by clicking the *Share* button, then the *Stop Sharing* button.
