

***Session Special Interest Group (SIG) “Data Science & Artificial Intelligence” (DS+AI)  
Thursday, 28 October / 15.00 – 17.30 (CET) – ONLINE***

**Introduction:**

Welcome to the **Kick-Off meeting** of the Special Interest Group (SIG) “Data Science & Artificial Intelligence” (DS+AI)! To prepare this session, the Lead (HAW Hamburg) and Co-Lead (HU Utrecht) have asked colleagues who have already expressed their interest to contribute to this SIG to introduce their research interest in the field of technology, applications and consequences of DS&AI. But of course, other participants are also welcome to briefly introduce their research interests here, too.

**Aim of the session is:**

- Getting to know each other and starting to build a network
- Getting a first impression of the research interests of the SIG Members
- Expansion of the SIG

**Agenda**

- Welcome
- Introduction of research interests in the field of technology and applications of DS&AI (approx. 75 min.)
- Break (approx. 15 min.)
- Introduction of research interests in the field of consequences of DS&AI (approx. 45 min.)
- Wrap-up and planning of next steps (approx. 15 min.)
